Thanks Tracy. ON the call, we discussed SC looking into the sources of credits in the bank and determining the quantity from each source. It would be helpful to have that information to review prior to the Thursday meeting. Can you check to see if SC will be able to provide that information prior to the meeting?

Hi Laura,
Nicole brought this to our attention, so we are cancelling the Dec. 27th call. We will work to set up another after the date you mentioned. We look forward to continuing our discussions tomorrow afternoon on that call.

Thanks,
Tracy

Hi Tracy,

3 out of 4 of the EPA staff will still be on holiday leave on this date, so it does not work for EPA. I would look for something after Jan. 5<sup>th</sup>, when all of us will be back in the office.
